

# EXM-ISH S-TYPE COUPLER S1, S2, S3 SERIES

\* Attachments depicted may include optional paint, upgrades, or custom configurations.

Compatible with the Volvo S-Style coupler configuration, made with Craig's industry-leading manufacturing processes to ensure a perfect fit and optimal work performance.

- Rated lift hooks come standard
- Cylinder and hoses protected by a debris guard
- Audible and visual safety indicators
- Multiple Craig shim kits are available to reduce hook-up wear and create a tighter coupler fit when used with your older attachments.
- Coupler kit included with in-cab controls and all hydraulic lines (generic hose kit) in place in the event of hydraulic pressure loss on hydraulic configuration

 **Visual and audible feedback** to indicate when attachment is engaged.

Rated lift shackles come preinstalled as standard.

**Comes fitted with a removable plate** to help you hide and protect the cylinder and hosing system.
