

# EXB-DCTR TRAPEZOID DITCHING BUCKET

\* Attachments depicted may include optional paint, upgrades, or custom configurations.

Designed to ditch and grade at the same time, the Craig Trapezoid Ditching Bucket will save you time and money by allowing for fewer digging cycles than your traditional Ditching Bucket.

- Reversible and replaceable cutting edge
- Weld on adapters and teeth available (optional)
- Available in Wedge Lock, Pin-on, S Series, or Manual Bar Lock lugging
- Custom configurations available upon request
- Dig the perfect ditch without repositioning your machine saving time and wear on tracks
- Horizontal wear bar standard
