

MG-302

302 HIGH LIFT WING ASSEMBLY

Extend the capabilities of your grader with an all hydraulic high lift rear post wing assembly. Featuring an amazing 60" level benching height, this assembly allows operators to double bench snowbanks for more efficient plowing.

- 60" level benching height
- Hydraulic push pole adds up to 22" (standard) of increased reach
- Floating front slide allows constant road contact
- Excellent operator visibility
- Wing moldboard features rugged box style construction for maximum strength and light weight
- Provides excellent flow from grader moldboard
- Easy installation and removal can be done in the field
- Fully hydraulic design (no cables)
