

WL-CBX CRAIG BOXER BUCKET

* Attachments depicted may include optional upgrades or custom configurations.

Designed for clearing leaves, brush, and other light materials, the Craig Boxer Bucket opens to collect a wide path of material and then closes for easy gathering of the material. The material can then be easily dumped into a truck, bin, or hopper by opening the Boxer Bucket over the truck or storage location.

- Bolt-on reversible cutting edge ensures long life
- Modular floating hook-up design
- Available in Craig Quik Key, OEM coupler and Pin-on configurations
- Critical wear areas utilize AR 400 wear plate
- Synchronized operation
- Serrated closure for improved grabbing capability
- Optional brush guard available
- Optional visibility kit available
