

# WL-LMFS FEEDLOT BUCKET

\* Attachments depicted may include optional upgrades or custom configurations.

The Feedlot Bucket features a dual cylinder top clamp with great visibility that allows for large heaped capacities of materials, including round bales, to be handled efficiently.

- Ability to customize clamp for your specific application – optimized for bales – round or square or silage (pricing will vary)
- Dual-cylinder single top clamp standard
- Bolt-on reversible cutting edge ensures long life
- Available in Craig Quik Key, OEM coupler and Pin-on configurations
- Critical wear areas utilize AR 400 wear plate
- Drilled to accept dealer specified ground engaging tools
- Optional third valve required on machine
