

WL-RBVHD HEAVY DUTY ROCK BUCKET

* Attachments depicted may include optional upgrades or custom configurations.

Built to withstand harsh environments and severe service, Heavy Duty Rock Buckets are reinforced with extra thick plate and AR 400 wear protection on all wear surfaces. Straight, semi-spade and full spade edges available with your choice of teeth and segments. Features a plate style spill guard.

- Available with custom hardfacing for your specific application (pricing will vary)
- Can be configured with various arrow head cutting edges upon request
- Critical wear areas utilize AR 400 wear plate
- Drilled to accept dealer specified ground engaging tools
- Wide range of wear protection options to suit your application
