

WL-REV-V FOLDING VEE PLOW

A versatile multi-position plow, the Craig Folding Vee Plow is capable of acting as a vee plow, inverted vee plow, straight blade, or angled blade.

- Universal vertical down pressure float hook-up frame - can be locked out for scraping applications
- Available in Craig Quik key, OEM coupler, and pin-on configurations
- Only available as a trip edge plow
- Light weight tube frame design
- Optional third valve required on machine
- Optional rubber deflector shown - high visibility kit, curb shoes, and a variety of edges available
