

TT-QKM-36
QUIK KEY COUPLER

The Craig Quik Key coupler system allows for maximum work site and seasonal versatility. Change attachments in just seconds. You can purchase our female blank to add to existing attachments.

- Increase your truck's versatility with a Quik Key Coupler
- Coupler is self aligning, allowing attachments to hook-up on unlevel of terrain
- Hardened steel manual lock pins reduce wear
- Working load is spread over a large contact area resulting in less maintenance and longer trouble-free life
- Bolts directly to truck frame
- Adapts to standard plow equipment
- Can be supplied to fit any make or model
